10.9	Organizational Chart
------	----------------------

10.10	Student feedback mechanism on Institutional Governance / Faculty performance	We have allotted guardian teacher per class, keeping in mind that students are the backbone of the institute. Every guardian teachers and mentors tries to minimize the difficulties of the students. Continues feedback is taken by head of the department, principal & management members directly or indirectly. The feedback forms from the final year students have been taken. Implementation of student's suggestions made our faculty technically sound.
10.11	Student feedback mechanism on Institutional Governance / Faculty, Staff and Students	Students approached discipline committee for their grievances & then to principal. Staff & faculty member approach directly to the principal in their concern matter & solve the problem with open communication. Else they can also approach to management directly.
